1.1 Brief Introduction

Chulalongkorn University, the Kingdom’s first public university, was established in 1917 by His Majesty King Vajiravudh (Rama VI); the University was named after the King’s father, His Majesty King Chulalongkorn (Rama V). The University extends over a 456-acre tract of land granted by its founder. In the succeeding years, Chulalongkorn University, or “Chula” for short, has grown to become a comprehensive university, which offers over 500 programs in almost all areas of study. The University’s numerous programs, including nearly 90 international programs, cover all fields of study, both traditional academic disciplines and interdisciplinary studies. The present enrollment is approximately 40,000 students, 2/3 is undergraduate students and 1/3 is graduate students.
