

# Singapore Undergraduate Policy Conference 2022

---

Mengarang Wawasan: Our Next Chapter

## Participant Prospectus

# About SUPPC

# Conference Overview

## **Introduction**

The Singapore Undergraduate Policy Conference (SUPC) is a brand-new initiative conceptualised and organised by the Political Science Society of the National University of Singapore (PSSOC).

## **Objectives**

In this inaugural edition of SUPC, we aim to expose you to the formulation of public policy through real-life policy contexts and challenges. Along the way, you'll brainstorm solutions as a team and present your policy proposals to academics and senior government officials in a competitive setting.

# Conference Details

## **Date, Time & Format:**

Saturday, 18 June 2022, 9:00 AM - 9:00 PM	Zoom Video Meet
Friday, 24 June 2022, 9:00 AM - 9:00 PM	NUS University Town*
Saturday, 25 June 2022, 8:30 AM - 5:30 PM	NUS University Town*

\*Undergraduates not residing in Singapore will join through Zoom on all three days of the conference. The above timings are GMT +8 timings (Singapore Time)

## **Theme: Mengarang Wawasan: Our Next Chapter**

‘Mengarang Wawasan’ (in Malay) translates to ‘composing our vision’ (in English). Undergraduates represent the next generation of thinkers, leaders and change-makers who play an essential role in shaping Singapore's future.

Business  
Executive

**Julian Wee**  
Finance  
Executive

# Conference Timeline

# Domain Areas

# Domain Area #1:

## Reinforcing Our Singapore Core

### Frameworks & Infrastructure

Formulate a policy addressing an existing system that has considerable room for optimization to deliver better results, improve efficiency in service output, or provide a positive impact on citizens' lives.

### Diversity & Inclusivity

Formulate a policy addressing the challenges and disadvantages that a social group currently encounters to safeguard the equal opportunities guaranteed to all beyond "race, language or religion".

### Sustainable & Smart City

Formulate a policy addressing Sustainable Production &/or Responsible Consumption whilst balancing economic growth and environmental concerns.

# Domain Area #2:

## ASEAN: Stronger Together

### Inter-governmental Development

Formulate a policy that fosters inter-governmental development and regional collaboration, addressing the inadequacies of existing policies within ASEAN.

### Emerging Out of COVID Together

Formulate a policy that addresses the economic setbacks that ASEAN members have experienced due to the ongoing COVID-19 pandemic to facilitate and hasten ASEAN's economic recovery.

### ASEAN Partnership

Formulate a policy that addresses the realistic possibility of exploring stronger partnerships, within ASEAN and with rising global powers to further ASEAN's goals.
