台南 Tainan

TAINAN,
THE OLDEST
CAPITAL CITY...

Tainan is the ancient capital of Taiwan. This city continues to host a variety of cultural festivities and religious ceremonies all year round. Traditions have been well sustained in this modernized city. The city's gourmet food culture guarantees one can find delicious food of every kind. Life in Tainan has a charming balance between the new and the old, and the fast and the slow.

NCKU

THE TOP UNIVERSITY IN TAIWAN

National Cheng Kung University (NCKU), being established as “Tainan Technical College” in 1931, has transformed into one of the most established, comprehensive universities in Taiwan. With about 21,000 students and 2,000 faculty members in total, NCKU has continued as a leader in the fields of engineering, science, management and medicine. NCKU has always been dedicated to promoting student mobility and welcomes international exchange students from partner universities worldwide every year.

NCKU IS YOUR TOP CHOICE!

What does algae have to do with water quality? How can cities become more sustainable? You can learn the answers to these questions and more at the 2022 Worldwide Universities Network Virtual Summer School. Leading academics will offer interactive classes, exploring sustainability issues, offering hands on learning to address the challenges, opportunities and solutions to Sustainable Development. Under the theme of “Act for Sustainability,” classes will address issues which correlate to specific UN Sustainable Development Goals (SDGs). Experts will equip students with the skills necessary to navigate the complex global challenges of today’s world. Students will work closely in a diverse cohort comprised of students from around the world, through project-based activities, highlighting the importance of collaboration, creativity, storytelling and critical thinking skills. Join us for eight days of innovative, practical and exciting learning! Get involved and be a part of the change!

VIRTUAL SUMMER SCHOOL

ACT FOR SUSTAINABILITY

Core Course (2 credits)

Under the theme of “Act for Sustainability,” nine sessions will address issues which correlate to specific UN Sustainable Development Goals (SDGs). Experts in each field will host the sessions to address the challenges, opportunities and solutions to sustainable development. The session topics include, but are not limited to, Industry, Innovation and Infrastructure, Affordable and Clean Energy, Sustainable Cities and Communities, Life on Land, Health, Clean Water and Sanitation, Responsible Consumption, and Climate Action. The courses aim to be interactive sessions of project-based activities showcasing the need for students to collaborate, create and solve problems.

Brainstorming for Sustainability!

After collaborating with classmates, students will have opportunities to share their knowledge gained by presenting on sustainability topics of their choice.

Show Us Your Skills!

Prizes will be awarded for groups showing collaboration, creativity, critical thinking and communication just to name a few!

AREAS OF SDGS INVOLVED IN THE CORE COURSES

CRASH COURSE IN CHINESE (OPTIONAL)

Great for All Levels!

Learn the basics from NCKU's top Mandarin instructors, communicate in basic Chinese, and experience Chinese culture firsthand.

Speak Up!

Learn all basic rules of pronunciation and tones.

Give It a Try and “Survive”!

Students will have the chance to learn useful everyday phrases.

EXPLORING TAINAN! (OPTIONAL)

300 Years of History!

From Fort Zeelandia to the Eternal Golden Castle!
Experience the rich history of Tainan in a fun-filled day tour!

Remote Learning Opportunity!

Online-learning is provided for overseas students. It's just one screen away. Explore Taiwan's "Ancient Capital" like never before!

Credit Value
