# Panel Discussions Agenda

## PANEL 1: ASEAN-China Youth Employability: Preparing Today's Generation for Tomorrow's Regional Opportunities

With increasing collaboration between ASEAN and China, the availability and accessibility of regional employment remain central to growth. This panel discussion explores cross-border internship opportunities and how ASEAN and Chinese youths can better equip themselves with the skillsets required.

## PANEL 2: Significance of Social Entrepreneurship on Community Development in the ASEAN-China Region

Social entrepreneurship has emerged as a platform for innovation, creativity, and breakthrough for the sustainable development of ASEAN and China. This panel discussion dives into the various aspects of social entrepreneurship and inspires youths to foster better connectivity in the region through this approach.
