

Hi all.

Just want to share this amazing opportunity for your postgrad students or even yourself.

This is a fellowship that will really feature proper mentoring from industry, community and academia leaders. Not to mention it will look very, very good on their (or your) CV!

Dr Khor Swee Kheng is a physician specializing in health systems and global health, based in Singapore. He is CEO of Angsana Health, Visiting Assistant Professor at the National University of Singapore, and member of the Health White Paper Advisory Council to the Malaysian government. He has covered >90 countries professionally, with three masters and >190 publications.

Dr Ravivarma Rao Panirselvam is a Psychiatrist and Suicide Prevention Advocate from Hospital Miri, Sarawak

Jude Day is the Director of Kota Kinabalu International Film Festival (2008-now)

Good news to those who would like to join in person but cannot, we have remote options available for you!

This means participants and speakers alike can join in the experience and listen in on the main hall of the conference.

Remote speakers are able to hold their talks in any hall so send those abstracts in to have a chance at receiving the Young Scholar's Fellowship!
