

Sukalin Wanakasemsan

Director, Global Academic Affairs Division
Chulalongkorn University

Sukalin is the Director of Global Academic Affairs Division at the Office of International Affairs and Global Network, Chulalongkorn University.

She has more than 15 years of experience working at this office and served as the assistant director and the deputy director for many years. She experienced in various tasks related to inbound & outbound exchange student and staff, scholarship & funding, database & ranking, international admission for international program, and activities for international student and staff.

Moreover, she has collaborated her work with many units/organizations both within and outside Chula such as Office of Academic Affairs, Office of Student Affairs, Chulalongkorn Communication Center, Embassy and Consulate in Thailand, Immigration Bureau, Fulbright Thailand, etc.

Her current position focus on Future Leaders, in order to facilitate Chula student, faculty, and staff to build success internationally and to increase the number of international student and staff. Her recent projects include (i) virtual student exchange program, (ii) open house for international programs, and (iii) active recruitment for international students.

Sukalin holds a Master's degree in Public Relations from Chulalongkorn University and a Bachelor's degree in Clinical Psychology from Kasetsart University. Sukalin has worked in private sector and other university before joining Chulalongkorn University.
