EVENT BOOKLET

INTRODUCTION

EDMAT, abbreviated for Engineering Development, Motivation And Awareness Training is a physical motivational camp organised annually by Engineering Society of University of Malaya (ESUM) since 1978. The camp will be held for 4 days which involves all local AND international undergraduates from universities all over the globe. This training program aims to develop, motivate and create awareness of the undergraduates, preparing the undergraduates for the world they are going to step into. This motivational program is opened to ALL UNDERGRADUATES. With overwhelming positive feedback from participants of many countries, the much-anticipated event is back again for the 45th year! Through this event, you will be able to develop critical thinking skills, enhance communication abilities and build a strong network with participants from different countries. To name a few of our exciting activities, they include the Pitching session, Gala Night, industrial visits, fun games and so much more!
