Subject : [South Korea Ministry of Foreign Affairs] '2024 Mekong-ROK Youth Group Workshop' Promotion Assistance Request

To whom it may concern,

We are Funday Korea Networks, a social enterprise organizing free tours and events to promote Korean culture among foreigners living in Korea or abroad. This year we are in charge of managing a new Mekong-ROK Workshop Project sponsored by the Ministry of Foreign Affairs of South Korea, so we are contacting you in request for assistance in promoting the project among your students. The project participation is free of charge and we believe it will become a great opportunity for ROK-Mekong countries to boost cooperation.

1. Under the auspices of the Ministry of Foreign Affairs of South Korea and sponsored by KISTI, the '2024 Mekong-ROK Youth Group Workshop' will be held for young participants of Korean nationality or Mekong countries(Vietnam, Thailand, Cambodia, Lao PDR, Myanmar) to nurture convergence talents through learning theories and team projects in the fields of supercomputing, big data analysis, and AI applications.

2. This program, organized by the Ministry of Foreign Affairs of South Korea, offers an opportunity for participants to engage in discussions on the key agenda of Mekong-ROK cooperation project utilizing Convergence of HPC & AI & DATA. We kindly request your support in promoting the active participation of students from Mekong countries (Vietnam, Thailand, Cambodia, Lao PDR, Myanmar) associated with your organization.
