

## LINK FOR REGISTRATION

To accommodate the registration of this conference, we use the system that was organized by our university. The registration link is as follows:

<http://conference.ui.ac.id/leaf/leaf2024/login?source=%2Fleaf%2Fleaf2024%2Fauthor%2Fsubmit>

With this system, we have the following benefit:

1. The system is organized by UI, hence if there is a mistakes or technical issue, it is easy for us to solve the problem with the admin in university level.
2. With this system, we can send our notification of abstract submission easily and automatically to participant right after they submit their abstract.
3. With this system, we can send abstract review request automatically to reviewers.

Here are some examples of the registration system of this conference.
