

The background of the slide features a close-up photograph of two hands, one from the left and one from the right, both wearing light-colored, textured long-sleeved shirts. The hands are gently cupping a small, round, light-colored cake or cookie decorated with dark chocolate swirls. The lighting is soft, creating a warm and welcoming atmosphere.

The background of the slide features a light pink to purple gradient. Overlaid on this are faint, artistic illustrations of hands engaged in different activities: one hand is shown holding a paintbrush, another is holding a flower, and a pair of hands is shown tying a knot. These illustrations are rendered in a soft, painterly style.
