Kyoto University Graduate Admissions Seminar

- Civil Engineering & Disaster Prevention -

Kyoto University Division of Graduate Studies will hold an online seminar for prospective graduate students from around the world. This seminar will focus on the fields of civil engineering and disaster prevention. Professors who expertise in these fields will introduce their laboratory and research environment. There will also be international students who will be sharing their experience and journey.

Anybody who is considering pursuing master's/doctoral degree in civil engineering and disaster prevention is welcome to join. Don't miss the chance to meet the professors, students and learn about admission all at once!

【Overview】

Date: March 24th, 2026

Time: 3:00 p.m. – 4:30 p.m. (Japan Standard Time)

Venue: Online

Pre-registration is required to participate in the seminar. The Zoom meeting link will be sent to registered participants. If the number of participants exceeds 500, the live streaming will be available on the YouTube channel of the Kyoto University Division of Graduate Studies (<https://www.youtube.com/channel/UCTqfJQw8ySr35I7I3ytMw>). Additionally, the seminar will be recorded, and the archived video will be released on the YouTube channel after the event.
